

We've kept the secret of Chester's flavor safely under our hat for 50+ years.

Ever since he opened his first foodservice business in 1952, our founder W.O. Giles was driven to perfection. In pursuit of the world's best tasting fried chicken, he spent years perfecting every detail.

This included the creation of unique marinades, batters, and seasonings, as well as his own special cooking equipments and preparation processes. Finally, in 1965, Chester's was born. Today, Chester's famous taste has become a growing favorite around the world.
